Dear [redacted] STAT

I wish to express to you my sincere appreciation for welcoming members of my staff to your plant and arranging for a most interesting and instructive tour of the plant and engine testing facilities. My men have reported that their time was most profitably utilized in viewing the internal and external configurations of the facilities and that the unique layout and their lucid explanations were most helpful.

Special thanks should be given to [redacted] STAT
[redacted] who most graciously spent the day guiding the men through the installation. STAT

I also want to thank you for the layout of the plant and test area, which you so kindly forwarded to [redacted] STAT

Thank you again for your most generous cooperation.

Sincerely,

Arthur C. Lundahl
Director
